PART-TIME CAREER EMPLOYMENT
PROGRAM

SOURCE: 44 FR 55172, Sept. 25, 1979, unless otherwise noted.

§1.891 Purpose of program.

Many individuals in society possess great productive potential which goes unrealized because they cannot meet the requirements of a standard workweek. Permanent part-time employment also provides benefits to other individuals in a variety of ways, such as providing older individuals with a gradual transition into retirement, providing employment opportunities to handicapped individuals or others who requires a reduced workweek, providing parents opportunities to balance family responsibilities with the need for additional income, and assisting students who must finance their own education or vocational training. In view of this, the Department of Veterans Affairs will operate a part-time career employment program, consistent with the needs of its beneficiaries and its responsibilities.

§1.892 Review of positions.

Positions becoming vacant, unless excepted as provided by §1.897, will be reviewed to determine the feasibility of converting them to part-time. Among the criteria which may be used when conducting this review are:

- (a) Mission requirements.
- (b) Workload.
- (c) Employment ceilings and budgetary considerations.
- (d) Availability of qualified applicants willing to work part time.
- (e) Other criteria based on local needs and circumstances.

§ 1.893 Establishing and converting part-time positions.

Position management and other internal reviews may indicate that positions may be either converted from full-time or initially established as part-time positions. Criteria listed in §1.892 may be used during these reviews. If a decision is made to convert to or to establish a part-time position, regular position management and classification procedures will be followed.

(Authority: 5 U.S.C. 3402)

§1.894 Annual goals and timetables.

An departmentwide plan for promoting part-time employment opportunities will be developed annually. This plan will establish annual goals and set interim and final deadlines for achieving these goals. This plan will be applicable throughout the agency, but may be supplemented by field facilities

(Authority: 5 U.S.C. 3402)

§1.895 Review and evaluation.

The part-time career employment program will be reviewed through regular employment reports to determine levels of part-time employment. This program will also be designated an item of special interest to be reviewed during personnel management reviews.
